

## NEWSLETTER

Edition One/ November 2008

We are so excited to advise you that the new Bubblegum Website has just gone live. It is a state of the art site with wonderful capabilities to improve communication between parents, clients and the office. It has taken a long time in the making but it was well worth the wait, it is just fantastic and we hope you will enjoy it also.

The newsletter will keep everyone informed on what has been happening in the industry as well as the work that many of our children have been doing. We would also welcome any little stories that the children might like to offer in regard to their experiences doing a commercial, mini series or a stills shoot.

We have a wonderful group of children and parents with us and thank you all for your professionalism when representing Bubblegum in the industry.

I would like to dedicate this first edition of our Newsletter to a talented and beautiful young actress and much loved member of Bubblegum, whose life was tragically cut short earlier this year and whose contribution to the entertainment industry and to Bubblegum will never be forgotten – Jessica Jacobs.

Jess was with Bubblegum for many years and her attributes were endless. She was passionate about everything she did, she possessed an outlook on life way beyond her years, she was talented in so many areas including acting, singing, music, guitar, musical theatre and dance. She was nominated for a Guild Award. She had lead roles in Worst Best Friends, Fergus McPhail, Holly's Heroes, Sound of Music, Saddleclub and more. She had a wicked sense of humour, a wonderful bunch of friends and a loving family. She had the world at her feet and will be sadly missed.

Jess will live on in a wonderful legacy her Mother, Joanna Jacobs, is in the process of creating – **The Jessica Jacobs School of Drama**, specialising in drama for young people aged between 5 and 17 years and adults with special needs. Jo herself is a Drama Teacher and possesses many special skills. She has the support of some amazing and talented people behind her and she has put her heart and sole and her love into this project to keep the very special memory of her beloved daughter alive.

I know it will be an outstanding success because Jo is so passionate about drama and the success of the School. Bubblegum will be behind her all the way – Go Jo.
