

**NEWSLETTER**  
**Edition Two / December 2008**  
**Christmas Greetings**

I would like to take this opportunity of wishing you all a very happy and safe Christmas and a wonderful 2009. The current economic global climate we all know is not great and it does in some way affect us all. We will however continue to work for you all in obtaining as much work as we can in these unstable times.

In the last month we have done photographic work, publicity for Newstopia, Target Television Commercial, well done Gilbert Douglas and Cody Brits, In2Cricket TVC, well done Emily Prestigiacomio who featured in this TVC, and have submitted children for Worksafe Homecomings TVC and others. Congratulations also to Charlotte Todd who has been chosen for the new Natural Confectionery Company TVC. Well done Charlotte.

All children who did auditions for commercials did very well and we had some great feedback from our clients. You have proven to be excellent representatives of Bubblegum Casting and we are proud of you all. Coming up will be the Summer Sales and “Back to School”

In our first Newsletter we mentioned that Joanna Jacobs was starting a new Drama School dedicated to the memory of her daughter - Jessica Jacobs.

Jo has worked incredibly hard and has put in a fantastic effort in developing the School and has some wonderful people working with her. The school, **The Jessica Jacobs School of Drama** is up and running and classes begin early in 2009. The Flyer for the School can be viewed in the “standard documents” section of our website when you login.

We at Bubblegum believe that the School will be a huge success and congratulate Joanna on her dedication, passion and contribution to helping young people achieve their dreams and develop skills to help them obtain success in this industry but more than that, to teach them life skills that will build their confidence, self esteem and inner strength, to help them grow to become responsible, well adjusted young adults.

If any of you are considering drama classes for your children I cannot recommend this school highly enough, I know it will be great. I have known Joanna for many many years and respect how passionate she is about drama and “making a difference” for young people.

## **PERMITS**

In the New Year many of you will need to obtain new permits for your children. Starting school for some of our little ones and moving on to a higher class makes the permits from 2008 invalid.

Once the children start school can you please arrange to have new permits done and signed by the Principle of the child's school but NOT DATED. We will need two for

Bubblegum and new ones for Huge Studios (Target) and PMP Digital (Kmart) so 4 new permits altogether.

If the Principle is not happy leaving the date blank then just have them ready to take to the school should the need arise, however the Target and Kmart permits can be signed and we will need those to be sent back.

All permits including the ones for Target and Kmart can be sent to Bubblegum and we will forward them on to Huge and PMP.

Pre-school children do not require new permits until their current ones expire.

**MERRY CHRISTMAS AND HAPPY NEW YEAR.**

**MAY YOUR HOLIDAYS BE HAPPY AND SAFE.**
